

VERIFICATION

The LibLine service has collapsed and the telephone number(s) printed in this year's Handbook no longer exist.

The **Liberation times** for every race will be posted on the BICC web site www.biccpigeons.co.uk and also on the BICC's Facebook page, or alternatively if you do not have an Internet facility you can listen to the Liberation message on 01784-664122

To **verify your first bird's arrival** you can use the 'On-Line' web based facility www.biccpigeons.co.uk/racing/verification and you will be sent a confirmation email with the full details of your verification.

If you cannot use the web service to verify; - then phone

01784-664085

Leave your name and BICC membership code, followed by the ring number and time of arrival. This service will no longer give a verification number in return, but a pod-cast of the call is kept for 14 days in case the message needs to be listened to again.

It would be really helpful for those in the BICC who can read this message to pass these new numbers to anyone they know who doesn't have an Internet connection or facility.
