The £3 per competing member fuel surcharge will be removed for 2023.
National birdage will remain at 2022 levels for the 2023 season.

International birdage will increase by £1 per bird following an increase in International fees.

2023 Annual subscription will be set at £40.

The Committee have already identified and implemented a number of cost saving initiatives to ensure members are protected from rising costs and will continue to manage costs down wherever possible.
