## **Proposition No 1.** Proposed by M, C & J Norman (CS450)

New Club General Rule 19. To read;

A Race Advisory committee consisting of four members (which should include the two race advisors) to be elected at the AGM. The purpose will be to consult with the Chief Convoyer, when conditions or circumstances arise, and suggest that consideration take place, to decide whether;

- (a) to cancel a race,
- (b) to change the liberation site,
- (c) change the day of liberation,

Should any of the above be agreed, then any changes or cancellation to be notified to members, but no later than 24 hours before marking. A full explanation to be given.

### **Note.**

*Extreme weather conditions experienced in recent seasons have led to erratic results and poor returns and increased regulations imposed on racing from France and by DEFRA, may lead to logistical issues. The committee recommends the adoption of this rule to ensure full consideration has been given to any decision, and members will be told of the reasons for it.*
